

RESIDENTIAL CHARGING STATION ONLY APPLICATION

A \$500 incentive is available for a residential ChargePoint 32 Amp (minimum), Wi-Fi enabled charging station.

- Installation location must be a single or multi-family residential location and have wireless internet connectivity to qualify.
- Customer agrees to allow utility to collect vehicle charging data through on-site Wi-Fi for 36 months. The information collected will allow the utility to design potential economic incentive programs for various charging strategies.

RELEASE OF INFORMATION: I acknowledge that this installation is in compliance with the Terms and Conditions. I agree to the release of information by the provider below and to abide by the Terms and Conditions of the program.

I have enrolled in the NPPD/Wholesale Utility ("Offeror") Residential Charging Station Only Incentive Program (the "Program") pursuant to receiving a \$500 incentive. I understand that, as a condition to my participation in the Program, I am required to authorize ChargePoint, Inc., to release usage information (the "Usage Information") generated by my ChargePoint Home residential charging station and to assist Offeror with certain data collection tasks that I have authorized Offeror to perform in connection with the Program. I understand that the release of such information may include a release to NPPD of certain personally identifiable information about me, including, but not limited to, location and energy consumption profile. I also understand and agree that ChargePoint is not responsible for, nor has any authority with respect to, Offeror's privacy practices or how Offeror may use any information about me. In consideration for being allowed to participate in the Program, I hereby authorize ChargePoint to release the Usage Information and the personally identifiable information and to assist Offeror with performing the data collection tasks, and hereby forever release and disclaim, on behalf of myself, my heirs and assigns, ChargePoint from any and all claims I may have against it, its employees, officers and directors, arising out of or in connection with such release.

I understand and agree that the Program is being offered solely by the Offeror and not by ChargePoint. I hereby agree that ChargePoint shall have no liability whatsoever from Offeror's failure to deliver any of the benefits offered by Offeror in connection with the Program, and hereby forever release and disclaim, on behalf of myself, my heirs and assigns, ChargePoint from any and all claims I may have against it, its employees, officers and directors arising out of or in connection with Offeror's failure to deliver such benefits.

TERM & CONDITIONS

PROOF OF PURCHASE - Charging Station: ChargePoint 32 Amp (minimum), Wi-Fi enabled home charging station. Sales receipt(s) or invoice(s) itemizing the charging station and indicating the size, type, make, model, and purchase date. Charging station must be purchased and connected to the ChargePoint data retrieval system before final incentive is paid.

INCENTIVE OFFER: Details of this program, including incentive levels, are subject to change without notice. The electric utility reserves the right to limit incentives. Not available for equipment that qualifies under other EnergyWiseSM incentive programs. All incentives are subject to specific program guidelines. This incentive is only available to customers of Nebraska Public Power District (NPPD) and customers of its wholesale utilities.

ELIGIBLE EQUIPMENT: ChargePoint 32 Amp (minimum), Wi-Fi enabled charging stations. Customer agrees to provide access to on-site Wi-Fi for internet connectivity for thirty-six (36) continuous months from date of incentive approval.

ISSUING INCENTIVES: Equipment must be purchased and installed before an incentive is issued. Falsifying any information may lead to cancellation of this and future incentive applications, a claim by the electric utility for the return of any incentive, and/or referral for prosecution. Please allow 45 days for delivery of incentives. Submitting an application with incomplete or missing information may delay processing of the incentive.

APPROVAL & VERIFICATION: The electric utility reserves the right to verify sales transactions and projects prior to and after installation.

TAX LIABILITY: Neither the electric utility nor Nebraska Public Power District are responsible for any tax liability imposed on the customer as a result of the electric vehicle incentive.

ENDORSEMENT: Neither the electric utility nor Nebraska Public Power District endorses any manufacturers, products, or system designs in promoting this program.

DISPOSAL: The customer/contractor is responsible for the proper disposal and/or recycling of any waste generated as a result of this project.

SAFETY & BUILDING CODES: It is the responsibility of the customer/contractor to comply with all federal, state, and local safety, building, and environmental codes. All products must be UL-listed and installed per manufacturer's instructions.

DISCLAIMER OF WARRANTIES: Neither the electric utility nor Nebraska Public Power District warrant the performance of any equipment either expressly or implicitly. Contact the supplier or contractor for details regarding equipment warranties.

USE OF CUSTOMER DATA: The utility asserts that energy data collected is for research purposes only. Any dissemination of the data would be scrubbed of individual identification.
