P.O. BOX 319  
STANTON, NEBRASKA 68779

SUBJECT: IDLE SERVICE

Your electric \_\_\_\_\_ service located in the \_\_\_\_\_ of Section \_\_\_\_\_ -  
Township \_\_\_\_\_ north-range \_\_\_\_\_ east has been disconnected and the policy adopted by the Board of  
Directors is as follows:

**PROVISIONS AND CONDITONS OF POLICY**

- A. For the customer who does not want the service connected but desires to keep the District facilities in place they will be required to make payment to the District under the idle service rate schedule in order to have the District facilities available for service when desired to have it reconnected again. Also at the time of reconnect the reconnect policy of the District will apply.
- B. If the annual idle service charge is not received by the District, then the District reserves the right to remove its lines and related facilities, after proper notice has been given to the customer by registered mail and the date of the customer signing the receipt will acknowledge receipt of notice.
- C. When a request is made by a customer or the District for the removal of the lines and related facilities to an idle service then the District shall remove all District facilities that are not needed anymore.
- D. Should the customer or someone else decide that they would want the service and facilities reinstalled then it will be treated like any other new service according to District policy in effect at the time the request is made for the type of service being requested.
- E. For the customer who does not want an irrigation service connected but desires to keep the District lines and related facilities in place shall be required to make payment to the District under the irrigation service rate schedule in order to have the District facilities available for service when desired to have it reconnected again for irrigation.
- F. If the standby charge is not received by the District under the irrigation rate schedule then Items B, C and D of this policy shall apply.

The above mentioned service can be left but not energized for an annual Idle Service Payment in advance of \$\_\_\_\_\_. **The annual charge is a set fee and shall not be prorated.** If the District does not receive word from you or advance payment within 30 days of this letter then the District will, at its convenience start to remove this service.

\*\*\*\*\*

I am aware of the Board's Policy as mentioned above and request that the electric lines and other related facilities of the District's for the service located in the above legal may be removed. I hereby authorize you to remove the electric lines and other related facilities that belong to the District.
